Declaration

```
new *
fun View.snackbar(message: String, duration: Int = Snackbar.LENGTH_LONG) {
    Snackbar.make( view: this, message, duration).show()
}

new *
fun View.snackbar(@StringRes message: Int, duration: Int = Snackbar.LENGTH_LONG) {
    Snackbar.make( view: this, message, duration).show()
}
```

How to used

```
viewBinding.doneButton.snackbar( message: "This is developer Testing")
```
